

Results for the 11K Trail Run Sunday 26 April 2009

The following results are missing a few runners here and there as not all numbers were visible to the time recorder, for which we apologise! If you know your time, please email Fiona on fiona2.evans@talktalk.net who will amend the record! Congratulations to the winner Nathan Montague for setting the new course record! Congratulations also to David Morgan and Chris Longhorn for completing the course in 54:30 after having first completed the 31K Mountain Bike Cycle in 1:39:33! If you are interested in taking part in two events next year, please contact Fiona in advance of the day, which will be Sunday 25th April 2010.
